Mr. Mondaine said there was one request to address the Board of Education. Mr. Mondaine read Board of Education Policy C-140-P regarding patrons and employees addressing the Board of Education.

Mr. Christopher Eager, 1819 South Leslie Avenue, Independence, MO 64055 addressed the Board of Education regarding Policy Changes, Head Start By-Laws, and Legislative Priorities. He said that he attended the recent World Cafe event. He shared that the Board of Education needs to better balance hearing from the public and engaging elected leaders. Mr. Eager said the Independence School District is the only school district in the state of Missouri that has six year terms for Board of Education members. He talked about how the Board and District need to be mindful of increasing public engagement rather than decreasing the opportunity. Mr. Eager said that the Board and District also need to make an effort to resolve disagreements, understand each other's positions, use mediation when needed, or arbitration if necessary. He made reference to Head Start Policies, Article 13 regarding addressing resolutions to disagreements. Mr. Mondaine thanked Mr. Eager for his presentation.

Blake Roberson made the motion, second by Denise Fears, that the Board of Education approve the Consent Agenda as presented. Dr. Herl stated that the Bills total for December 10, 2024 was \$10,850,522.81 which is typical for this time of year.

1. Minutes – November 12, 2024
2. Approval of December 10, 2024 List of Bills totaling \$10,850,522.81

The motion was unanimously approved by the Board of Education.

Dr. Herl thanked everyone that attended the World Cafe event and said information on the event is listed on the District's website. The Administration has been discussing the items that were shared. He said that the upcoming CSIP process will be able to address a number of the issues discussed and that Board of Education members have been assigned to serve on the various CSIP committees. He shared that the Independence School District received the Missouri Community College Association Innovation Award for the District's partnership with MCC for the Early

College Monday Program. Dr. Herl said the District's APR came in at 80% which is an increase from last year's 76.4%. He said this is an indication of how the District is helping students' growth. He shared the growth metric showing how, through the work of the teachers and students, they have met or exceeded course requirements.

Brandi Prunte and Wendy Baird commented regarding attendance by the Administration at the World Café event. They hope that more community people will attend the next event. Dr. Herl said that Administrators were not required to attend but that a number of them have students in the District and that they also reside in the Independence School District.

Denise Fears announced that she had received the MSBA Distinguished Member certification. The Board and Administration commended her for achieving this recognition.

Several new business items were presented for the Board of Education's consideration.

Wendy Baird made the motion, second by Jill Esry, that the Board of Education approves the Legislative Priority Position Platform for the 2025 Legislative Session. Several Board members commented on the importance of local control being retained by Boards of Education.

The motion was unanimously approved by the Board of Education. (Page 12685)

Jill Esry made the motion, second by Wendy Baird, that the Board of Education approves the PY25 Head Start Policy Committee By-Laws and the PY25 Budget summary for November 1, 2024 through October 31, 2025. The motion was unanimously approved by the Board of Education.

Denise Fears made the motion, second by Anthony J. Mondaine, that the Board of Education approves the bid and contract for \$126,500 from AT Abatement Services for the demolition services at Fairmount Elementary School. Dr. Herl said this is a large and complex project and the work will be done on Mondays (when school is not in session) and on Saturdays. The work will start during winter break. Dr. Herl stated that contracts dealing with construction are reviewed by the District's architect, Mr. Greg McGhee, Gustavo Bateman, District's attorneys, and himself. The motion was unanimously approved by the Board of Education

Blake Roberson made the motion, second by Denise Fears, that the Board of Education approves the bid and contract for \$94,850.00 from AT Abatement Services for abatement at Fairmount Elementary School. Dr. Herl said this is the same company that is doing the demolition work. The abatement services would include removal of any asbestos, etc. that might be found. The work will start during winter break and when school is not in session. The motion was unanimously approved by the Board of Education.

Blake Roberson made the motion, second by Brandi Prunte, that the Board of Education approves the bid and contract of \$554,391.00 from Newkirk Novak Construction Partners for a Construction Manager At-Risk for the Fairmount Elementary School Renovations. Dr. Herl said this company provided the requested information for qualifications and the proposal on this bid. The motion was unanimously approved by the Board of Education.

Brandi Prunte made a motion to change the time that patrons/staff have to notify the District that they wish to address the Board from Friday to Monday prior to the Board meeting and to remove having to speak only about an Agenda item. Denise Fears said the Board of Education uses a Policy Committee to review proposed Policy Changes and the Committee did not move forward with those recommendations. MSBA recommends speaking only to Agenda items. Following the discussion, the vote was as follows:

Ayes:	Anthony J. Mondaine	Nays:	Carrie Dixon
	Brandi Prunte		Denise Fears
	Wendy Baird		Jill Esry
			Blake Roberson

The motion failed

Brandi Prunte made the motion, second by Jill Esry, that the Board of Education approves this as the first reading of changes/additions to Board of Education Policies C-140-P and C-155-P as presented. Dr. Herl stated that (Agenda Item 6.) Policies C-140-P and C-155-P both relate to the appeal process if someone is restricted from entering School District property. (Pages 12686-12690) The motion was unanimously approved by the Board of Education.

**Independence Board of Education
2025 Legislative Session**

Legislative Priority Positions

In the interest of public education in the Independence School District, we ask members of the Missouri General Assembly to:

1. Support the local school district's authority to operate a four-day school week, prepare their school calendar, and establish the beginning of the school year that is in the best interest of students, staff, and community.
2. Support legislation stipulating the enactment of accurate and timely property tax assessment practices and the clarification of assessment terms and timelines to promote uniformity and fairness of property tax assessments. Support uniformity in taxation as outlined in Article 10, Section 3 of the Constitution.
3. Support the full funding of state mandates in accordance with the Missouri Constitution by fully funding the Foundation Formula, Transportation Formula, Early Childhood Education, and summer school.
4. Support increasing overall state funding, per pupil, in an effort to make Missouri rank in the top one-half of all states in the country in support of K-12 public education.
5. Support local school district's authority to make decisions about matters such as: open enrollment; employee compensation and working conditions; class sizes; educational placement, curriculum, and instructional materials; professional development; program and employee evaluation; and Board member election terms and dates.
6. Support a line-item appropriation of state funding for safety measures for local school districts to protect students from harm and/or violence.
7. Support a consistent set of standards and tools to measure the progress of students and meet their educational needs while allowing districts to respond and implement these changes without further disruption to state standards or tests.
8. Strengthen laws that control tax abatement programs (TIF, CH-100, CH-353, et. al.).
9. Support funding for Early Childhood expansion.
10. Ensure all local tax funds be under the control of a publicly elected board, revenue not be diverted to non-public educational entities, and Charter schools not be expanded.

President, Board of Education

Public Comment to the Board
C-140-P

Written submissions may be directed to the Board, through the Superintendent, for consideration at a Board meeting. Copies of all correspondence directed to the Board will be made available to all Board members.

In addition to written submissions, a specific time will be set aside at regular Board meetings for public comments regarding items from the posted agenda. Individuals who want to make public comments regarding an agenda item must provide a written request to the Board of Education and received in the Office of the Superintendent of Schools by 4:00 p.m. on the Friday prior to the Board meeting or 24 hours after the public posting of the agenda on the District website, whichever is later. To provide notice to the public of matters to be discussed by the Board, only comments directly related to the posted agenda item will be permitted. The Board President will apply reasonable restrictions on individuals addressing the Board including but not limited to restrictions on the number of items to be considered, the number of spokespersons and the amount of time each spokesperson may have to address the Board. At each meeting, up to thirty minutes will be allotted for public comment. There is a maximum limit of five minutes per approved individual. If the meeting agenda is full, the Board President may reschedule an item for the next regular meeting. The Board President will set a time limit for the public comment portion of the meeting. No individual will be permitted to speak more than once during this part of the meeting. Each member of the public to speak will be given the same amount of time to address the Board.

If an individual wishes to have an item placed on the agenda of a regular Board meeting, he or she may make a written request to the Superintendent after going through the appropriate process for a complaint or concern pursuant to District rules. *See* District Policy C-120-P regarding Complaints or Concerns. The individual is also required to meet with the Superintendent/designee to attempt to resolve the issue. Superintendent/Designee must meet within 20 days of the request. After the meeting or if the Superintendent/designee does not meet with the individual within 20 days, the individual may submit a written request to the Board Secretary to have the item placed on the agenda.

The written request must be received by Board of Education and received in the Office of the Superintendent of Schools by 4:00 p.m. on the Friday prior to the Board meeting and must describe the items to be discussed with reasonable particularity. The item may then be placed on the agenda as deemed appropriate by the Superintendent and the Board President. The Board President will refuse to allow discussion of an issue that has not gone through the appropriate process as a complaint or concern pursuant to District rules.

The item will be placed on the agenda if it directly relates to the governance or operation of the District. The District may refuse to place an item on the agenda; (1) if the Board

has heard an identical or substantially similar issue in the previous 3 calendar months or (2) if the resident previously violated District rules regarding conduct at meetings or on school property and upon a specific finding by the superintendent or board that the refusal or delay in hearing the resident's agenda item is necessary to protect the board's ability to conduct business at its meetings and is unrelated to any viewpoint expressed by that resident or the proposed agenda item. If an individual's request to place an item on the agenda is denied, the District shall provide a short explanation in writing within five (5) business days of the denial. The District may delay hearing an agenda item if more than 3 resident-initiated agenda items are scheduled for the same meeting. If the agenda item is delayed or denied, the resident may communicate to the Board as outlined in the first paragraph of this section about the agenda item.

Visitors to District Property and Events

C-155-P

~~All visitors to school property or events must demonstrate appropriate behavior as good role models for the District's students.~~ Visitors during school hours, including Board members, must sign in at the building main office prior to proceeding elsewhere in the building. The principal of each school building will ensure signs are posted to direct visitors to designated doors nearest the building office.

Disruptive Conduct

Visitors who engage in disruptive conduct or exceed the scope of their permission ~~granted to be on District property~~ may be considered trespassers and subject to arrest and prosecution. ~~If a visitor engages in disruptive conduct, the~~ Superintendent or designee may limit or revoke the visitor's permission to visit school property or parts of school property at any time. The Superintendent or designee may inform the visitor that he or she is not welcome back on District property, or a specified portion of District property, and/or at District events ~~indefinitely or~~ for a specific period of time: not to exceed one year. During any period of prohibition, the visitor will not be allowed on District property, except that no person may be denied the ability to attend open, public meetings of the Board and its committees or advisory committees except upon a specific finding by the Superintendent or Board of Education that denial of admission to such meetings is necessary to protect the Board's ability to conduct business at its meetings and is unrelated to any viewpoint expressed by that person. The Superintendent may make exceptions for parents, guardians or custodians of students enrolled in the District if the person's presence is necessary to transport the student or may benefit the student educationally, or in situations where the parent, guardian or custodian will be supervised at all times.

To inform a visitor that he or she is not welcome back on District property or at District events, the Superintendent must send a restriction letter to the visitor, sent by first-class mail and by email, if known. The restriction letter shall include:

1. A description of the visitor's disruptive conduct;
2. The time period for which admission to District property and District events will be denied, not to exceed one year;
3. A description of the District property and events from which the visitor is restricted;
4. Whether the visitor is being restricted from attending open, public meetings of the Board and its committees or advisory committees; and
5. Notice of the visitor's right to appeal the restriction to the Board of Education, by referencing this policy, a copy of which will be provided with the letter

Appeals

Any visitor restricted for “disruptive” conduct under C-155-P, or a representative of the visitor, may submit a written appeal of the restriction to the Board of Education’s Secretary via electronic mail or first-class mail. The appeal must be received by the Board of Education’s Secretary within thirty (30) calendar days after the restricted visitor’s receipt of the restriction letter. Therein, the visitor shall state all reasons why they believe the restriction should be revised or overturned. Within fourteen (14) days following receipt of the visitor’s appeal letter, the District’s administration shall provide a written response to the Board of Education’s Secretary, with a copy provided to the visitor, stating all reasons why the restriction should be affirmed. If the visitor submitted their appeal via electronic mail, the District shall provide its written response to the visitor via electronic mail; otherwise, the response shall be provided via first-class mail.

Within seven (7) days after receipt of the District administration’s written response, the visitor or their representative may, but is not required to, submit to the Board of Education’s Secretary a written rebuttal via electronic mail or first-class mail. If the visitor makes new factual assertions that were not raised in the original written appeal, the District’s administration may, within seven (7) days following receipt of the written rebuttal, submit to the Board of Education’s Secretary a written reply to address only those new factual assertions, with a copy provided to the visitor. Otherwise, the District’s administration shall not provide any information to the Board of Education regarding the appeal outside of the contents of the administration’s written submission until the Board of Education has issued a decision regarding the appeal.

Upon receipt of any written rebuttal, the Board of Education shall consider the visitor’s appeal at the next regularly scheduled meeting of the Board of Education that is scheduled to take place at least five (5) business days after receipt of such rebuttal.

A visitor who is restricted from attending open, public meetings of the Board and its committees or advisory committees may, in lieu of submitting a written rebuttal, submit to the Board of Education’s Secretary a request to provide an oral rebuttal at a Board of Education meeting. Upon receipt of any request to provide an oral rebuttal by a visitor who is restricted from attending open, public meetings of the Board and its committees or advisory committees, the visitor or a representative designated by the visitor shall be provided with the opportunity to address the Board at the next meeting of the Board of Education that is scheduled to take place at least five (5) business days after receipt of such request, and the Board of Education shall consider the visitor’s appeal at that same meeting. If the District administration determines there is reason to believe that the visitor’s presence at a Board of Education meeting will create an immediate danger to the physical safety of individuals present at the Board of Education meeting, the visitor may be required to address the Board of Education virtually rather than in person.

The visitor or their representative may address the Board of Education for a period of time not to exceed five (5) minutes. If, during their presentation, the visitor makes new

factual assertions that were not raised in the original written appeal, the District's administration may address only those new factual assertions for a period of time not to exceed five (5) minutes, and the visitor may listen to such address. Otherwise, the District's administration shall not provide any information to the Board of Education regarding the appeal outside of the contents of the administration's written submission until the Board of Education has issued a decision regarding the appeal.

If the visitor does not submit a written rebuttal or request to provide an oral rebuttal within seven (7) days of receiving the District administration's written response, the Board shall consider the appeal at the next meeting of the Board of Education that is scheduled to take place at least five (5) business days after the expiration of the time to submit such written rebuttal or request an oral rebuttal.

The Board of Education shall consider the visitor's written appeal, the District's response, and the visitor's written or oral rebuttal, if any, and the District's reply to any new factual assertions in the visitor's rebuttal in deciding whether to affirm, overturn, or revise the restriction. The Board of Education will provide notice of its decision to the appealing visitor and Superintendent within three (3) business days of the Board meeting. The Board of Education's decision shall be final.

Possession of Weapons

Possession of weapons, including concealed weapons, is strictly prohibited on District property, on District transportation or at any District function or activity sponsored by the District unless the visitor is an authorized law enforcement official or is specifically authorized by the Board.

Sex Offenders

Individuals listed on the Missouri Highway Patrol's sex offender registry may not be present in any school building, or on District property, in any District vehicle utilized to transport students, or be present at school activities without the written permission of the Superintendent. For those extraordinary circumstances when permission is granted, it will be granted in writing for a specific event. In such cases, the Superintendent will notify the principal of the building in which the sex offender will be present and arrange for the sex offender to be supervised at all times and the sex offender will not be permitted to be alone with a child.
